## SURFACING

### FLEXBAND - 35MM/50MM

FlexBand is SouthTeq's flagship product.

SouthTeq has designed and developed Flexband which is an anti skid overbanding tape built to withstand any temperature that the UK provides.

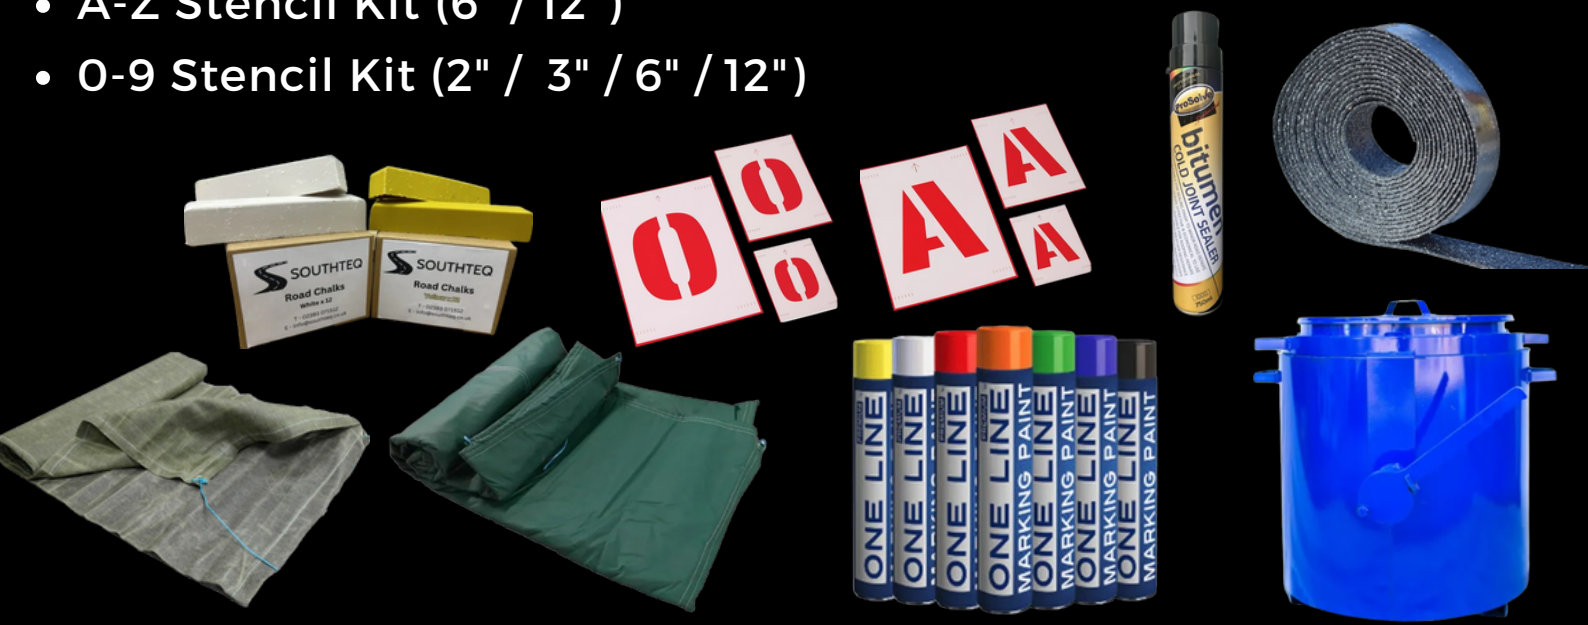

We launched FlexBand in early 2023 and all our contractors, councils and end users who use FlexBand have had a much better and easier user experience thanks to the benefits below.

- Very cost effective
- Zero Wastage
- Can be stored anywhere
- No large machinery needed
- Traffic ready in approx 10 mins
- Guaranteed to never stick together
- Guaranteed never brittle (even at freezing)

### Key Benefits

- High Capacity 120L Heavy Duty Tray
- Deep Pan For Minimal Trips
- Heavy Duty Pneumatic Tyre
- Comfortable & Slip Resistant Grips
- Great "All Rounder" For Any Job

# CUTTING & DRILLING

SouthTeq is a Proud Stockist & Partner of Mexco

This allows us to provide our customers with the very best rates along with the unbeatable quality and a huge range of blades and cutting supplies

We supply Mexco's blades in 3 ranges

## **Bronze, Silver & Gold**

Not all blades will have the option for all 3 ranges due to the surface you are cutting

## Which Range Is Right For Me?

### **Bronze**

Bronze is our entry level blade, cost effective and brilliant for short term use or one off projects. High quality but not as heavy duty as our Silver or Gold Range

### **Silver**

Silver is our most commonly purchased range, it is Heavy Duty while still being cost effective, this would be the "go to" option for everyday contractors that are looking for long lasting quality.

### **Gold**

Gold is our most Heavy Duty and longest lasting range, it has been designed cut like butter for a very long time. We find that our Gold rated blades last around 3x as long as our Silver rated blades.

DEMAND THE BEST

## CUTTING & DRILLING

SouthTeq is a Proud Stockist & Partner of Mexco

This allows us to provide our customers with the very best rates along with the unbeatable quality and a huge range of blades and cutting supplies

**SouthTeq Has Grown Organically From Our Customers Simply Asking If We Can Source Products**

**If There Are Products That You Are In Need Of That You Don't See In Our Catalogue Then Just Ask As We Will Likely Be Able To Source At A Lower Rate Than Usually Found Elsewhere Due To Our Deep Rooted Partnerships With Our Suppliers**

## **ABOUT SOUTHTEQ**

SouthTeq Ltd Was Founded In 2022 By Directors Brody & Richard Who Still Play A Big Role In The Day To Day Runnings Of The Business.

In A Short Space Of Time, SouthTeq Has Grown From Just Reselling Overbanding & Preformed Lines To Now Manufacturing Their Own While Supplying The Surfacing And Surrounding Industries With All Of The Products You See Above.

We Pride Ourselves On Being “Small Enough To Care But Big Enough To Compete” With Some Of The Larger Suppliers Out There.

SouthTeq Will Go Above & Beyond To Service All Needs & Enquiries, From Providing Customer Support & Advice, To Expanding Our Ever Growing Product Range.

We Consider Ourselves A Specialist In All Things Bitumen & Thermoplastic.

### **SouthTeq’s Values & Ethos**

- Commitment To Excellence
- Continuous Improvement
- Transparency & Honesty
- Customer Focus
- Sustainability
- Collaboration
- Innovation
- Integrity

## FAQ'S

---

### How Long Does Shipping Take?

Most of our products are stocked in our premises which we provide next day delivery as standard. Some of our products that are larger and shipped directly from manufacturer can take up to 3 working days. We strive to be fast and efficient.

### How Much Does Delivery Cost?

Most boxed orders will be £12.50.

Larger orders can be between £12.50 - £25.00.

Pallets are subject to the networks rates but usually between £40-£55

### Can I collect my order?

If your order is stocked in our premises, you can collect from our office based in PO13.

### How do I pay?

Either by proforma Invoice or over the phone.

After building history we will provide you with a 30 day EOM credit account.

### Can I request a sample?

This is product dependent, most of the time yes. Please get in touch to arrange samples.

### Does SouthTeq supply any other products?

We often source other products for our customers, all they need to do is ask!
