Built for professional use and repeated application on all road surfaces.

PREMIUM QUALITY
Trusted by professionals

BUILT TO LAST
Superior performance in all conditions

IDEAL FOR
Roads, car parks, cycle lanes and playgrounds

FLEXBAND

SouthTek's
flagship product

35MM / 50MM OVERBANDING TAPE

FlexBand is SouthTek's anti-skid overbanding tape, designed for a simple, reliable and cost-effective crack and joint sealing solution. Built for the UK climate, it is trusted by contractors, councils and end users for fast, easy application.

Available in 35mm & 50mm

5 metre rolls

- ✓ Very cost effective
- ✓ Zero wastage
- ✓ Can be stored anywhere
- ✓ No large machinery needed
- ✓ Traffic ready in approximately 10 minutes
- ✓ Designed not to stick together
- ✓ Remains reliable and flexible even in freezing conditions

PAK TAR DETECTOR SPRAY

Fast on-site screening spray for identifying possible tar-bound asphalt before cutting, planing or excavation work.

PAK Tar Detector Spray is a practical on-site screening aid designed to help indicate the possible presence of tar in asphalt surfaces. Simple to apply and quick to assess, it supports safer planning before disturbing road materials.

Easy aerosol application

Fast on-site indication

Supports pre-works assessment

Ideal for highways, utilities
and maintenance teams

Aerosol Can

KEY BENEFITS

- ✓ Quick and simple to use
- ✓ Helps identify possible tar-bound materials
- ✓ Useful before cutting, coring, planing or excavation
- ✓ Clean, portable single-can solution

RELIABLE ON-SITE SUPPORT FOR SAFER SURFACING DECISIONS

AND MUCH MORE

FAQs & CONTACT

Fast answers, simple ordering and direct support.

HOW LONG DOES SHIPPING TAKE?

Most products are stocked at our premises and are delivered next working day as standard. Larger items that ship direct from the manufacturer can take up to 3 working days. We always aim to be fast and efficient.

HOW MUCH DOES DELIVERY COST?

Most boxed orders are £12.50. Larger orders typically range from £12.50 to £30.00. Pallet deliveries are subject to network rates but are usually £40-£60.

CAN I COLLECT MY ORDER?

Yes, if your order is stocked at our premises, collection is available from our office in PO13.

HOW DO I PAY?

Payment can be made by proforma invoice, over the phone, or via a payment link. Trade account customers can apply for 30 days end of month credit.

CAN I REQUEST A SAMPLE?

In many cases, yes. Samples are product dependent, so please get in touch to arrange this.

DOES SOUTHTEQ SUPPLY ANY OTHER PRODUCTS?

Yes. We often source additional products for our customers, and our range is growing all the time—just ask.

Order arrived next day as promised. Great communication from start to finish.

HELPFUL TEAM AND QUALITY PRODUCTS

The team really know their stuff. Top quality materials every time.

EXCELLENT RANGE AND SUPPORT

Wide range of products and always on hand when we need some advice.

Rated 'Excellent' on Trustpilot

CAN'T SEE WHAT YOU NEED?

Ask us — we source more than what's shown in our catalogue.

ABOUT SOUTHTEQ

SouthTeq Ltd was founded in 2022 by Directors Brody & Richard who still play a big role in the day to day running of the business.

In a short space of time, SouthTeq has grown from reselling overbanding & preformed lines to now manufacturing our own, supplying the surfacing and surrounding industries with a wide range of high quality products and more.

SouthTeq goes above & beyond to service all needs & enquiries, from providing expert customer support & advice, to expanding our ever growing product range.

We consider ourselves specialists in all things bitumen & thermoplastic.
